

Manuel : Transporteurs certifiés QS

ADRESSE : <https://www.q-s.de/softwareplattform/>

The screenshot shows the homepage of the QS-Database software platform. At the top left is the QS logo with the text "QS. Quality scheme for food.". To the right are navigation links: Home, Databases, Support, and Video-Tutorials. Below this is a large blue banner with a photo of a man at a computer and the text "QS-Database" and "Actively support quality assurance with reliable data management". Below the banner are three main sections: "New to QS" with a button for "Initial registration"; "Login" with input fields for "User name" and "Password"; and "Check eligibility of delivery" with a red arrow pointing down and a button for "Scheme Participant Search".

1. Choix du secteur concerné

The screenshot shows the "Search scheme participant" interface. At the top left is the QS logo. In the center, there are five colored squares representing different sectors, with the text "Qualitätssicherung. Vom Landwirt bis zur Ladentheke." below them. On the right are flags for Germany and the UK, and navigation links: Home, Databases, Support, and Video Tutorials. Below this is a search bar with the text "Search scheme participant: > Select stage" and a red 'X' icon. A dropdown menu is open, showing a list of stages. The stage "Slaughtering/deboning (incl. livestock transport)" is highlighted with a red box. The list of stages includes: Feed sector, Agriculture/Production, Hatchery (incl. livestock transport), Slaughtering/deboning (incl. livestock transport), Processing meat, Food retail, Wholesale/logistic fruit, vegetables, potatoes, Butchery, meat wholesale, Preparation/processing fruit, vegetables, potatoes, and Agricultural coordinator/butchery.

2. Soit vous indiquez le nom du transporteur que vous recherchez
